## Remanufactured Service Replacement Parts

### Terms of Coverage:

#### Uses

This warranty applies to the first retail purchaser and subsequent owners during the WARRANTY PERIOD of reliabilt® remanufactured Detroit Diesel engine service replacement parts (referred to as reliabilt Part[s]) remanufactured or supplied by Detroit Diesel Corporation\*, Detroit Diesel of Canada Limited or Detroit Diesel Overseas Distribution Corporation (all which are collectively referred to as DDC) or its affiliated companies.

#### Defects

This warranty covers reliabilt Part(s) REPAIRS to correct any malfunction occurring during the WARRANTY PERIOD resulting from defects in material or workmanship.

#### Repairs

To obtain warranty repairs, defective or malfunctioning reliabilt Part(s) must be delivered to an authorized DDC service outlet and the outlet furnished with the purchaser's copy of the original sales slip on "over the counter" sales, or the repair order on service installations, to validate date of purchase. DDC may, at its discretion, replace rather than repair the reliabilt Part(s). A reasonable time must be allowed to perform the warranty repair after taking the Part(s) to the authorized service outlet. Repairs will be performed during normal business hours.

#### Warranty Period

The WARRANTY PERIOD begins on the date the reliabilt Part(s) is installed on a Detroit Diesel engine by an authorized DDC service outlet, or the date of sale on "over the counter" purchases.
